“Hot Shot” Airlaunch System Golf Tournament Contest

As low as \$5
per player!

HOT SHOTS GOLF BALL LAUNCH CONTEST with GOLF EVENTS

This fantastic new contest for your next golf event will surely be a big hit. Players actually fire from the tee box, a standard size golf ball 300 yards in the air from a shoulder canon powered by 100PSI. Create a closest-to-pin contest that we put in the middle of the fairway on par 5 hole. It is so easy, anyone can play!

Great for both corporate & charity golf tournaments - add excitement to your event or raise additional funds. It is a great sponsor idea - making your hole stand out from the rest. Sponsors can simply hire Golf Events to run canon on your hole and attendees will line up to participate! For more information and detailed pricing - please call 206-633-7888 or email info@golf-events.com
